

Washington Elementary School Clubs
Every Child, Every Day, Whatever it Takes

SCHOLARSHIP APPLICATION

Thank you for your interest in having your child participate in clubs at Washington. Clubs can enrich children's academic experience, teach skills they didn't have before, allow them to make new friends, and help them have even more fun at Washington!

In an effort to make these programs financially accessible to as many students as possible, the Washington PTA offers partial scholarships to families eligible for free or reduced lunch. If you would like to apply for a scholarship, please fill out this application and return it with the club registration form.

A separate scholarship application must be completed for each club for which you are registering.

Child's Name: _____
