## District 65 Board of Education Committee Appointments 2021-2022

Attached is the proposed amended School Board Policy 2:150, to reflect the recommend committee structure beginning 2021-2022.

A Board Committee may not take final action on behalf of the School Board and may only make recommendations to the entire Board.

In addition to the Curriculum & Policy Committee and the Personnel, Building & Grounds and Finance Committee, Board Members are also actively involved as appointed representatives to external boards and committees.

- **Joint District 65-District 202 Board Committee.** This committee meets periodically to discuss student achievement and coordinate work across both districts, as well as plan for the Joint Dist. 65/202 Board Meeting held twice a year.
- **Park School Advisory Board.** Members of both District 65 and 202 Board and administration meet to collaborate efforts, plan and budget for Park school operation.
- **City School Liaison Committee.** Officials of the City Government and representatives of the two School Districts 65 and 202 meet on a regular basis to address community safety, overlapping financial issues, use of resources and better coordination in other fields of community concern.
- **Ed-Red.** This external collaborative advocacy organization works with a diverse membership from districts across the state to promote discussion and action on critical policy issues. The goal of the work is to protect local control and local resources while promoting new opportunities for member districts.
- **Foundation 65.** The District 65 Superintendent and one school board member are designated as Ex-Officio (non-voting) Members of the Foundation 65 Board. Both of these positions are largely observational and intended to provide a communications link between F65 and D65.
- **Head Start Parent Policy Committee Representative.** Board representatives contribute to the planning and direction of the District 65 Early Head Start programs.
- **Illinois Association of School Boards Delegate.** A board representative is appointed the Illinois Association of School Board (IASB) to vote on major policies established by an annual Delegate Assembly of state school boards.
