

1.18.22 THOUGHT Q3

Evanston/Skokie School District 65

Q1 Are there other selective enrollment programs that are important to your family?

TWI at middle schools Students need to see themselves reflected in the curriculum. They need to feel valued.

4.3  (13 )
Ranked #1 of 93

Teach foreign language in all elementary school. Place TWI schools in neighborhoods where highest TWI need.

4.2  (13 )
Ranked #2 of 93

Expansion of TWI into neighborhood middle schools Studies show that students in bilingual programs outperform their monolingual counterparts after 6 years in a robust immersion program.

4.2  (12 )
Ranked #3 of 93

Keep providing social emotional learning throughout our kids' schooling

4.0  (13 )
Ranked #4 of 93

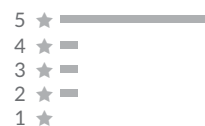

The ACC program should be evaluated and the effectiveness of the program should be looked at (like is currently done with TWI) before expanding.

4.0  (12 )
Ranked #5 of 93

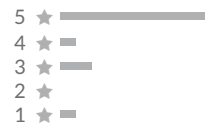

More TWI please. Or if that is not possible, more language-learning opportunities for non-TWI kids. Kids seem to get 50% spanish or 0% spanish. Can there be a regular weekly Spanish program similar to art/drama/library?

4.0  (11 )
Ranked #6 of 93

First make sure TWI is robust. I don't want more programs if they're watered down

3.9  (13 
Ranked #7 of 93

Continue TWI through 8th grade.

3.9  (12

3.9  (11 
Ranked #9 of 93

Yes to continuing language learning/TWI in middle school! There is a gap right now in the learning

3.9  (11
