gerdesh@district65.net

To volunteer contact
kingartspta@gmail.com

The King Arts Grocery & Resource Program creates ongoing relationships with King Arts families to address food and resource insecurity.

Volunteers disseminate groceries and household goods to program participants on a monthly basis from September through May. All program participants receive equitable distribution of support and confidentiality.

To join the 2020-2021 King Arts Grocery & Resource Program, complete the confidential [English](#) or [Spanish](#) form.

Dr. Henderson and our King Arts Social Workers will receive your submission and follow-up with you directly.
