**What’s Griffin’s Tale?**

**From the company:**

We are Griffin's Tale, Northwestern University's only Children's Repertory Theatre Company! We take stories and poems written by kids in the Evanston and Chicago areas and turn them into skits, sketches, songs, raps, dances, and more! THEN we get to go to the schools these amazing students attend and perform their stories for them! We've been doing it since 1989, and we love it!

---

**At Washington:**

Each spring, the children love it when Griffin’s Tale brings their show to us. Students attend an assembly to see selected works, including those authored by Washington students!

The deadline for students to submit creative written works for Griffin's Tale is **Friday, December 18th**. Please check with your room parent or classroom teacher to find out if your child has entered or will enter a submission! If not, he or she may enter individually by dropping a story, song, or poem off in the Cultural Arts mailbox.

*Please be sure it has the attached form filled out and stapled to the top of the entry.* We hope to have one submission from each student at Washington! Thanks!
