School Supply Payment Form

What we need your family to do:

- Fill out the information below, include with it a **check made payable to “Washington PTA” or cash**, and return to Washington School.
- There may be a few odds and ends, such as coins and sneakers and a backpack your teacher will ask you to bring from home, but the basics will be taken care of for you at a much lower cost.
- If you do not want to participate, fill out the form with the box checked and return it to your child’s teacher.
