TESTIMONIALS

Students from
our previous
sessions:

"I really enjoy playing badminton in high school and if they offered it in middle school, I would have played then too. It would help prepare students for the competitive high school season. They would learn the basics earlier so then when they came to high school they could refine their skills."

-Sonia

"I love badminton because it showed me the competitive and athletic side of me that I never knew I had. Joining the badminton team my Freshman year introduced me to so many new people and taught me skills like commitment and diligence. I think Manny classes are so helpful I have really developed as not only a player but as a person."

-Sasha

"I play badminton because it's an awesome and super fun sport. It's great because you can start playing at any time and can really improve as you practice. Since it's mostly an individual sport your work directly impacts matches. Manny's lessons helped me work on and improve my skill along with improving my chances of making the high school team this season."

-Ruth

"I personally really enjoyed it, and I now feel very well prepared for tryouts and hopefully season. I learned a lot (different shots, footwork, etc.) of things that I didn't really know about before. And also, I had fun!"

-Anna

"Badminton has been a really great experience for me. I've learned so much and met some new friends. The coaches are very nice and knowledgeable; they teach us new strategies and skills everyday. It's a really fun class with a great environment and I plan to continue taking it!"

-Ana

"I think that this class is awesome! I have learned so much over time. The coaches are both super nice. I would really love to continue badminton. It is really fun and takes strategy. Overall, this class was amazing!"

-Emilie

"Badminton is a great sport that really gets you moving. You work on foot work, technique, and how to play the game. The warm-ups and footwork are pretty hard but after that it's all fun. Go play!"

-Alex
