

THERE ARE SO MANY FUN SPORTS TO ENJOY...

WHO: Evanston middle school girls (6th, 7th & 8th graders) are taught by Evanston varsity student-athlete leaders & mentors. A low athlete to instructor ratio will always stay below 5:1.

WHAT: Learn to play different sports throughout the year! Each month, learn the fun and fundamentals of two different sports with other girls just like you. Early sessions focus on skills and drills, and the final session of each monthly sports unit is a fun competition. You can register for whichever monthly sports units interest you.

WHEN/WHERE: Sundays from 4pm-6pm at Evanston Township High School.

WHO WE ARE: Team GPS is a non-profit organization dedicated to building leadership skills and confidence in girls through their participation in a wide variety of sports.

GOALS: Team GPS gets girls involved in multiple sports by exposing them to new sports they may not have experienced. Team GPS engages girls in meaningful conversations about important topics that affect young women today and strives to help girls become the leaders of tomorrow.
