2017 Camp Dates: June 12, 13, 14, 15, 19, 20, 21, 22, 26, 27, 28, & 29

Session A — 8 AM to 10 AM (Engineering or Food Adventure) Session B — 10:30 AM to 12:30 PM (Engineering or Food Adventure)

Session C (both camps)— 8 AM to 12:30 PM* (Engineering and Food Adventure) *Snacks Provided

Wildkit Engineering Camp

This camp is based on the national Project Lead the Way pre-engineering program and utilizes project-based, hands-on approach to STEM learning (Science, Technology, Engineering, and Mathematics).

Campers will engage in daily design challenges to enhance their problem-based STEM skills such as problem-solving, critical thinking, and teamwork. Campers will create designs, build prototypes, test, and evaluate their results.

Projects will include:

- * 3-D CAD Design
- * Welding
- * 3-D printing
- * Electrical Circuits
- * Robotics

Wildkit Food Adventure Camp

Campers will engage their minds in uncovering where our food comes from, how it fuels our bodies and the science behind baking. Campers will develop basic skills for cooking nutritious meals and snacks.

Camp themes will include:

- Farm to Table: Where does your food come from?
- Eating the Rainbow: How do colorful foods make you healthy?
- Food for Thought: What do baking and chemistry have in common?

Cost and Registration — Complete the registration form below and return it with the camp fee.

Location — The camp is held at Evanston Township High School, 1600 Dodge Avenue, Evanston, IL

Drop Off — Campers will enter and exit through Door #2 (back of school). Teachers will meet campers and escort them to and from the classroom.

Fee Waiver — A limited number of fee waivers are available for families in need of financial assistance. (Check box on form and you will be contacted regarding your request.)

Refund Policy — Registration fees are non-refundable once camp has begun. If the camp has a low enrollment it will be canceled and a full refund will be issued.

Questions? Contact Shelley Gates at gatess@eths.k12.il.us or 847-424-7660.
